

✓ PC Panel ST 30

For applications requiring an alternative to mesh panels, Troax offer a polycarbonate panel (PC ST 30). PC ST 30 panels are constructed from a 3 mm thick sheet of polycarbonate that is glued to the steel frame, using a similar technique that is widely used in auto manufacturing for gluing windscreens onto cars and trucks.

FACTS

Art no	Width (mm)	Height (mm)	Weight (kg)
29602666	200	2000	6.7
29602676	300	2000	8.5
29602686	700	2000	15.5
29602696	800	2000	16.4
29602706	1000	2000	18.9
29602716	1200	2000	23.4
